

Quinquennial Inspectors (Birmingham DAC-approved)

Persons below are approved "church Inspectors", as defined under the Inspection of Churches Measure 1955. They have shown themselves expert enough in ecclesiastical architecture and conservation to be appointed by a PCC to conduct, at the PCC's prompting, the obligatory 5-yearly inspection of the fabric of church buildings under the Measure. The Diocesan Advisory Cttee. [DAC] for the Care of Churches pays for this, and considers applications to join this list. A PCC may choose whomever they see fit: see guidance on appointment under Part 3 of <http://www.birmingham.anglican.org/upload/pdf/CaringForTheBuilding.pdf>. (NB PCCs are not restricted to this list for projects of alteration, or even to oversee repairs).
