

Too Deep For Words

Praying with Jesus

Lent 2008

This booklet is much more than another scheme or official initiative. It is a call to live as Christian disciples, a holy people, human beings who dance with the divine in step with the never-ending rhythm of prayer.

I believe we are at the beginning of something big and exciting as God invites each one of us to get more deeply involved in his life and mission, transforming us as individuals and as church into his likeness.

Please order these booklets – give one to a friend or colleague and let's enjoy journeying together as we prepare to celebrate the death and resurrection of Jesus Christ
