

Supermarket Voucher Exchange

Charity No. 243931

I was a stranger and you made me welcome

(Matthew 25:35)

RESTORE aims to launch a scheme exchanging supermarket vouchers for cash for asylum seekers in order to preserve their dignity and expand their available options.

Why we need supermarket voucher exchange!

Asylum seekers who receive Section 4 support from the government receive £35 in supermarket vouchers every week—but no cash! Section 4 applies to the most destitute asylum seekers who:

1. have submitted a fresh asylum application;
2. are seriously unwell;
3. or have agreed to return to their country of origin.

Asylum seekers often sell their vouchers for *much less* than face value to buy bus tickets and to shop at cheaper local markets.

What YOU can do!

You can help by exchanging supermarket vouchers for cash to express your solidarity with asylum seekers. RESTORE would ask you to send a cheque of £35 per month in exchange for a £35 supermarket gift card.

If you wish to help, please fill in the form and send it to:

**All Saints' House, 172 Herbert Road,
Small Heath, Birmingham, B10 0PR.**

RESTORE will then get in contact with further information.

Many thanks!

I wish to exchange cash for supermarket vouchers each month.

Please indicate your supermarket voucher preference (the majority are, however, ASDA vouchers):
